

# DOUGLAS COUNTY COVID-19 RESPONSE TEAM

JOINT INFORMATION CENTER PRESS RELEASE - FOR IMMEDIATE RELEASE - May 28, 2020

## DOUGLAS COUNTY COVID-19 RESPONSE TEAM - NOON CASE UPDATE

(Douglas County, Ore.) **Douglas County COVID-19 Test Results:** It is Thursday, May 28, 2020, and as of 12:00 pm today, there is ONE new case of COVID-19 in Douglas County. The total number of positive cases in Douglas County is now at 26. Testing continues, as DPHN has been holding 2-3 clinics a week and hospitals, urgent cares and clinics continue to test. Twenty-six people have tested positive in the county and twenty-three of those twenty-six have recovered. DPHN defines recovery as an end to all symptoms after a positive test for COVID-19.

*“Although our cases have been fairly steady for several weeks, we expected to have new cases in Douglas County. In addition to our regular testing clinics, epidemiological contact tracing and isolation support for our positive cases, we have also been spending the last several weeks preparing for a possible surge. We are more prepared now than we were at the beginning of this pandemic and will continue to do the vital and important public health work of providing locally relevant correct information, testing, and epidemiology investigations.”* Dr. Bob Dannenhoffer

DPHN continues their epidemiologic investigations, identifying individuals who may have had close contact with individuals that have tested positive for COVID-19, advising and supporting quarantine. The majority of the individuals who have tested positive earlier have now recovered. The first positive COVID-19 case in Douglas County was announced on March 8, 2020. Thanks to the great work that Douglas County has done social distancing and staying home, we’ve had 26 cases in over 80 days.

Here are the current numbers for Douglas County:

New Cases as of 12:00 pm May 28, 2020	Total Confirmed Cases	Total Recovered Cases (of those that tested positive)	Total COVID-19 Deaths	Total Currently Hospitalized (of those that tested positive)	Total Negative Test Result	Total Presumptive Cases
1	26	23	0	1	2446	0

The Oregon Health Authority (OHA) has expanded their reporting for COVID-19 case management and will now include presumptive COVID-19 cases. DPHN will also be reporting presumptive cases and will use the OHA’s definition of presumptive as having had close contact with a known, confirmed COVID-19 case, showing symptoms and not yet having a positive nasal swab/PCR test for COVID-19.

### Getting Tested & Testing Clinics

The next drive-through COVID-19 test clinic, led by DPHN is set for Friday, May 29 in Roseburg. As a reminder, if you are having symptoms of COVID-19 including cough, fever, shortness of breath, muscle aches and pains, diarrhea, sore throat or decreased sense of smell and taste, talk to your health care provider about being tested for COVID-19. Patients without a Primary Care Provider that are looking for a COVID-19 test should contact the Sutherlin Aviva Health clinic at (541) 459-3788. The first drive thru testing site was piloted in the county on March 17, 2020, there have been 542 people tested in the drive through clinics alone, additional testing continues in hospitals, urgent cares and clinics simultaneously. The drive through clinics are led by DPHN, in conjunction with partner agencies including; Douglas County COVID-19 Response Team, Douglas County Board of Commissioners, Douglas County Sheriff’s Office, Douglas County Public Works, local volunteers and local health professionals.

### Oregon COVID-19 Case Update

Oregon Health Authority reports new cases once a day on its website at [www.healthoregon.org/coronavirus](http://www.healthoregon.org/coronavirus). The Oregon Health Authority is also releasing the daily situation status report, which is produced jointly with Oregon Office of Emergency Management. It details the overall picture of the COVID-19 outbreak within the state and the response across government agencies. [Read more here about the daily situation status report.](#)

### Stay Informed with the Accurate Information

Your Douglas County Board of Commissioners, Douglas County Public Health Officer, Dr. Robert Dannenhoffer and the Douglas County COVID-19 Response Team have been working hard to cooperatively provide accurate and timely information to Douglas County residents since March 8, 2020. **If you have questions about resources available, call the COVID-19 hotline, staffed by local volunteers at (541) 464-6550 from 8:00 am to 5:00 pm, 7 days a week.** Stay up to date on COVID-19 in Douglas County on the DPHN website at [www.douglaspublichealthnetwork.org](http://www.douglaspublichealthnetwork.org). Find additional information on state or federal COVID-19 response from the following websites: [Douglas County Government](#), [Oregon Health Authority](#), [Centers for Disease Control](#), and by calling or logging onto [211Info](#).
