JOINT INFORMATION CENTER PRESS RELEASE - FOR IMMEDIATE RELEASE – June 22, 2020

DOUGLAS COUNTY COVID-19 RESPONSE TEAM - NOON CASE & DAILY UPDATE

(Douglas County, Ore.) **Douglas County COVID-19 Test Results:** It is Monday, June 22, 2020, and as of 12:00 pm today, there is **one** new confirmed case of COVID-19 in Douglas County. The total number of confirmed positive cases in Douglas County is now 34. Testing continues, as DPHN has been holding 2-3 clinics a week and hospitals, urgent cares and clinics continue to test. **Thirty-four people have tested positive in the county and twenty-eight of those thirty-four have recovered.** DPHN defines recovery as an end to all symptoms after a positive test for COVID-19. DPHN continues their epidemiologic investigations, identifying individuals who may have had close contact with individuals that have tested positive for COVID-19, advising and supporting quarantine. The majority of the individuals who have tested positive earlier have now recovered. The first positive COVID-19 case in Douglas County was announced on March 8, 2020. Thanks to the great work that Douglas County has done social distancing and staying home, we've had 34 cases in 106 days.

Here are the current numbers for Douglas County:

DPHN is following OHA policy related to outbreaks and will be reporting workplace outbreaks with 5 or more cases and only for workplaces where there are at least 30 employees. The Oregon Health Authority (OHA) expanded their reporting for COVID-19 case management and now includes presumptive COVID-19 cases. DPHN will also be reporting presumptive cases and will use the OHA's definition of presumptive as having had close contact with a known, confirmed COVID-19 case, showing symptoms and not yet having a positive nasal swab/PCR test for COVID-19.

Getting Tested & Testing Clinics

The next drive-through testing clinic will be Tuesday, June 23, 2020, in Roseburg. As a reminder, if you are having symptoms of COVID-19 including cough, fever, shortness of breath, muscle aches and pains, diarrhea, sore throat or decreased sense of smell and taste, talk to your health care provider about being tested for COVID-19. Patients without a Primary Care Provider, that are looking for a COVID-19 test should contact the Sutherlin Aviva Health Clinic at (541) 459-3788. The first drive-through testing site was piloted in the county on March 17, 2020, there have been 779 people tested in 37 drive-through clinics, while additional testing continues in hospitals, urgent cares and clinics. The drive-through clinics are led by DPHN, in conjunction with partner agencies including; Douglas County COVID-19 Response Team, Douglas County Board of Commissioners, Douglas County Sheriff's Office, Douglas County Public Works, local volunteers and local health professionals.

Oregon COVID-19 Case Update

Oregon Health Authority reports new cases once a day on its website at www.healthoregon.org/coronavirus. The Oregon Health Authority also releases a daily situation status report and a weekly report on their website that detail the overall picture of the COVID-19 outbreak within our state. The daily report details positive and presumptive cases and deaths by state and county, while the weekly report is more in depth and includes statistical data related the severity of cases by zip codes, age, ethnicity, as well as workplace and care facility outbreaks in Oregon.
