

DOUGLAS COUNTY COVID-19 RESPONSE TEAM

Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT

JOINT INFORMATION CENTER PRESS RELEASE - FOR IMMEDIATE RELEASE – October 10, 2020 DOUGLAS COUNTY COVID-19 RESPONSE TEAM - DAILY UPDATE

(Douglas County, Ore.) Douglas County COVID-19 Test Results: The Douglas County COVID-19 Response Team continues to focus our efforts on our local COVID-19 response. **As of 12:00 pm today, Saturday, October 10, 2020, there are FIVE people with new positive test results since our noon case update yesterday.** The total number of cases (people with positive test results and presumptive) in Douglas County is now at 287*. Currently, there are **FOUR** Douglas County COVID-19 patients being hospitalized locally.

Douglas County, OR - COVID-19 - Case Update					
Date	Tuesday, October 6, 2020	Wednesday, October 7, 2020	Thursday, October 8, 2020	Friday, October 9, 2020	Today, Saturday, October 10, 2020
Total COVID-19 Cases	262	268	275	282	287
<i>People with Positive PCR or Antigen Test Results</i>	235	239	243	250	255
<i>Presumptive</i>	27	29	32	32	32
Total Currently Hospitalized	2	3	3	3	4
Total Currently in Isolation	26	29	29	35	36
Total COVID-19 Related Deaths	4	4	4	4	4
Total Negative Test Results	13,607	13,666	13,836	13,882	13,990

*Our daily update includes the total number of cases in Douglas County, which combines people with positive test results and presumptives. We provide a breakout of the people with positive test results and presumptives in the chart above. Please note there will be times when a presumptive will move to a positive test result, and our total case number will not change because the case has already been counted, instead you will see an adjustment to our breakout numbers for positive test results and presumptives.

COVID-19 Prevention is Paramount

As you can see from our Douglas County Tracking Chart above, which tracks the daily results for the last five days, we are seeing an unfortunate spike in our cases lately. **Yes, it is a fact that our positive test results are on the rise.** This should be very concerning for our residents. The DCCRT team continues to encourage residents to protect themselves and their loved ones by practicing prevention measures to stop the spread of the coronavirus. Residents can protect themselves and their families by following these simple, basic health and safety precautions:

- Washing and sanitizing your hands frequently.
- Staying at least six feet apart from anyone not from in immediate household.
- Staying home from work, shopping, school and play if you are sick.
- Minimizing travel and visitors.
- Wearing a mask were recommended.

Our recent cases can be attributed to travel and unwitting and unintentional behavior by residents choosing to attend or host social gatherings where COVID-19 guidelines for social distancing, food preparation, hand washing and masks are not being followed. Cases have been linked to social gatherings including: birthday parties, weddings, funerals, prayer groups,

What Can YOU Do to Prevent The Spread of COVID-19

 Stay home if you're sick	 Wash your hands often
 Stay 6 feet away from people when in public	 Talk to public health if you think you've been exposed to a known positive case
 Know risks of gatherings — indoor, larger, close contact all higher risk	 Know your own personal risk , some people are more high risk
 Wear mouth and nose coverings , to protect others and yourself	 Limit travel

 **DOUGLAS COUNTY PUBLIC HEALTH NETWORK**
COVID-19 Hotline (541) 464-6550
 8 am-5 pm, 7 days per week
 Visit douglaspublichealthnetwork.org for the latest updates on testing and FAQ

play dates, visiting family members and back-to-school events. Again, we ask that you take a moment and revisit how you are socializing and please protect yourself and your loved ones from the spread of this virus. Please stay safe and remember to be kind to others. Stopping the increase of COVID-19 cases in our county is really up to YOU, our residents.

OHA Definition for Recovered

Previously, we used the OHA definition for recovered that considered people recovered if they were 10 days from onset and symptoms were improving. As more is learned about COVID, the clinical definition of recovery is evolving. Due to the evolving nature of this definition, we have removed the column in our chart listing our recovered cases. We added the number of those in isolation that roughly correlates with the number of active cases. The DCCRT noon case and daily update will report the Total Number of COVID-19 Cases, the number of positive test results (as of 12:00 pm that day), the number of presumptive, total currently hospitalized, total currently in isolation, total COVID-19 deaths and total negative test results in Douglas County. ***Currently, DPHN is supporting 36 cases in isolation, as well as another 157 contacts in quarantine in Douglas County. Isolation is recommended for confirmed and presumptive cases, quarantine is recommended for contacts of confirmed or presumptive cases. This number represents a snapshot of the significant amount of work being done by our county and our public health to help control the spread of COVID-19.***

Getting Tested & Testing Clinics

The next drive-through testing clinic will be Tuesday, October 13, 2020, in Roseburg. As a reminder, if you are having symptoms of COVID-19 including cough, fever, shortness of breath, muscle aches and pains, diarrhea, sore throat or decreased sense of smell and taste, talk to your health care provider about being tested for COVID-19. Patients without a Primary Care Provider, that are looking for a COVID-19 test should contact the Sutherlin Aviva Health Clinic at (541) 459-3788. The first drive-through testing site was piloted in the county on March 17, 2020, there have been 1639 people tested in 80 drive-through clinics, while additional testing continues in hospitals, urgent cares and clinics. The drive-through clinics are led by DPHN, in conjunction with partner agencies including; Douglas County COVID-19 Response Team, Douglas County Board of Commissioners, Douglas County Sheriff's Office, Douglas County Public Works, local volunteers and local health professionals.

Oregon COVID-19 Case Update

Oregon Health Authority (OHA) reports new cases once a day on their website at www.healthoregon.org/coronavirus. OHA also releases a daily situation status report and a weekly report that details the overall picture of the COVID-19 outbreak within our state. The daily report details positive and presumptive cases, as well as deaths by county and statewide, while the weekly report is more in depth and includes statistical data related the severity of cases by age, gender, zip codes, ethnicity, as well as information on workplace and senior care facility outbreaks in Oregon. Find additional information on the state or Federal COVID-19 response go to Oregon Health Authority, Centers for Disease Control, and 211Info.

Oregon COVID-19 Presumptive

OHA expanded their reporting for COVID-19 case management to now include presumptive COVID-19 cases in their total case number. DPHN is reporting the number of people with new positive test results and any new presumptives and uses the OHA's definition of presumptive as having had close contact with a known, confirmed COVID-19 case, showing symptoms and not yet having a positive nasal swab/PCR or antigen test for COVID-19. Testing continues, as DPHN has been holding 2-3 clinics a week and hospitals, urgent cares and clinics continue to test. DPHN continues their epidemiologic investigations, identifying individuals who may have had close contact with individuals that have tested positive for COVID-19, advising and supporting quarantine and isolation.

COVID-19 Travel Caution: Please Limit Travel, Social Gatherings and Visitors

We will continue to encourage residents to be cautious about traveling or inviting people from outside our county, and instead encourage our residents to delay travel, consider stay-cations and reschedule visits from out-of-the-area friends and family to a later date. We continue to identify people with positive test results that have chosen to travel out of Oregon to visit relatives or to take vacations. While traveling those individuals and families have come in contact with someone with COVID-19 and brought it back to Douglas County. We have expanded our list of states directly related to our cases though travel, they include Alaska, Washington, California, Idaho, Nevada, Arizona, Texas, Louisiana, Florida, Tennessee, Michigan, Ohio, Massachusetts and Wyoming. A few other cases were the result of a family member coming to Douglas County to visit, brought the virus with them and infected their host family.

Facebook Live with Dr. Bob Dannenhoffer

Join us **Tuesday, October 13, 2020** for the next virtual town hall Q&A with Dr. Bob Dannenhoffer, your Douglas County Public Health Officer at 6:00 pm, hosted by DPHN and found on the [DPHN Facebook page](#).

Red Cross: Urgent Need for Blood Donations Continues

The American Red Cross still has an urgent need for blood donations to prevent another blood shortage. Donors are needed to make and keep scheduled appointments to help meet the current need. If you are healthy, feeling well and eligible to give blood or platelets, you are urged to make an appointment to donate as soon as possible. Donate your blood and save a life. Remember, appointments are required, visit www.redcrossblood.org or call (800) 733-2767 to schedule today.

Wildfire Information and Recovery Assistance

Douglas County Board of Commissioners, set up a webpage for Douglas County [Wildfire Information and Updates](#). The webpage includes wildfire updates, as well as information about recovery and assistance programs available for those affected by the recent wildfires. Currently, residents affected by the recent wildfires can sign up for a program to assist them with the removal of household hazardous waste at no cost to them. [Click here to access the Douglas County “Free Wildfire Household Hazardous Waste Removal Program” information webpage](#). To apply for the free household hazardous waste removal program, residents affected by the local wildfires just simply need to fill out and return the [Right-of-Entry Permit Form](#) as soon as possible to grant state contractors access to your property. The link will take you to a webpage that is being managed by a consultant for the state of Oregon that is managing household hazardous waste removal. **Please note that residents must act by October 15, 2020 in order to participate.** For additional information about this program, residents can call (541) 440-6011.

Local wildfire information is available directly from the links listed here. The **Archie Creek Fire & Thielsen Fire Website**, [Facebook page](#), phone number: (971) 334-7674 or (541) 625-0687 and emails: 2020.archiecreek@firenet.gov and 2020.Thielsen@firenet.gov. Please continue to monitor the **Douglas Forest Protective Association’s Website and Facebook page** for additional local wildfire updates. For current evacuation information please continue to monitor the **Douglas County Sheriff’s Office website** or [Facebook page](#). **Please call 911 to report any signs of new fires.**

LOCAL COVID-19 INFORMATION

Stay Informed with Accurate Local Information

Stay up to date on COVID-19 in Douglas County on the [Douglas County Government website](#) or the [DPHN website](#). Your Douglas County Board of Commissioners, Douglas County Public Health Officer, Dr. Robert Dannenhoffer, DPHN and the Douglas County COVID-19 Response Team (DCCRT) have been working hard to cooperatively provide accurate and timely information to Douglas County residents since March 8, 2020. Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT.

Douglas County Resource/COVID-19 Hotline: (541) 464-6550:

Douglas County Commissioners and Douglas Public Health Network have added a resource and referral service to the current COVID-19 hotline for Douglas County residents. The added service will help residents get connected to resources and services due to the local wildfires. Referral and resource information will be available about local emergency shelters, livestock and animal boarding options, donation locations, volunteer opportunities, welfare check referrals, food and water resources and help with health and wellness questions. This is **NOT** the hotline for Fire Updates or Evacuation information. Please contact or follow DFPA and DCSO for the most up-to-date wildfire information. **The Resource/COVID-19 Hotline is (541) 464-6550. It is staffed from 8:00 am to 5:00 pm, 7 days a week until further notice.** (Please note that the hotline hours were adjusted on September 23, 2020.)

Questions about Governor’s Reopening or Statewide Rules? If you have questions or need more information go to the Governor’s COVID-19 website at <https://govstatus.egov.com/or-covid-19/> or call 211 or the Business Oregon's Navigator Hotline at (833) 604-0880.

Who Do You Contact to Report Compliance Issues with the Governor’s Statewide Rules? Please do not call 911, Douglas County Sheriff’s Office or Douglas County Offices to report compliance issues with the Governor’s orders. The Governor has directed the State offices for Oregon Occupational Safety and Health (OSHA) and the Oregon Liquor Control Commission (OLCC) to be the enforcement agencies responsible for ensuring restaurants, bars, and other businesses comply with COVID-related rules.

For more information or to report compliance issues contact:

OSHA: (800) 922-2689 or [OSHA website](#)

OLCC (503) 872-5000 or [OLCC website](#)
