

DOUGLAS COUNTY COVID-19 RESPONSE TEAM

Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT

JOINT INFORMATION CENTER PRESS RELEASE - FOR IMMEDIATE RELEASE – December 7, 2020 DOUGLAS COUNTY COVID-19 RESPONSE TEAM - DAILY UPDATE

(Douglas County, Ore.) **Douglas County COVID-19 Test Results:** As of 12:00 pm Today, Monday, December 7, 2020, there are **FIFTEEN (15)** people with new positive test results, **ONE (1)** new presumptive case and **ONE (1)** death since our noon case update yesterday. The total number of cases (people with positive test results and presumptive) in Douglas County is now at **1,090***. Currently, there are **TWENTY (20)** Douglas County COVID-19 patients that are being hospitalized, 17 locally and 3 out-of-the-area. Our Douglas County COVID-19 Response Team, under the direction of the Douglas County Board of Commissioners, Dr. Bob Dannenhoffer, our Public Health Officer and Douglas Public Health Network continue to devote all resources available to our local COVID efforts.

One More COVID-19 Related Death of a Douglas County Resident

Our Douglas County Public Health Officer, Dr. Robert Dannenhoffer, has confirmed the death of another Douglas County resident from the COVID-19 virus. Our twenty-fifth death is an 89-year-old man who was diagnosed with COVID on November 18, 2020, and died on November 26, 2020. Douglas Public Health Network just received confirmation of his death this morning. In the interest of privacy for the loved ones of these residents, no additional information will be released.

“Douglas County today is reporting another COVID-related death of a local resident. On behalf of my family, my fellow Board of Commissioners, Dr. Dannenhoffer, DPHN staff and the DCCRT team, we send our sincere condolences and prayers to the family, friends and neighbors of this beloved resident,” commented Commissioner Tim Freeman. *“This is the sixth tragic death of a Douglas County resident reported since Friday. To avoid further losses to our community, we urge you to do your part in slowing the spread of the virus by following the guidelines highlighted below.”*

COVID Business Relief Funding for Douglas County - Applications Available Now

The Douglas County Board of Commissioners were pleased to announce that they have finally received the grant and funding information from the State of Oregon for the Federal CARES Act Coronavirus Business Relief Fund program that was announced on Tuesday, November 17, 2020, as coming soon to all Oregon counties. The allocation of Federal CARES Act dollars for financial assistance to support Oregon businesses who have been detrimentally impacted by COVID-19 has been divided up amongst the 36 Oregon counties, and each county is responsible for establishing a local application process and allocation program.

In a press release, the CCD Business Development Corporation announced that they have been contracted by the Douglas County Board of Commissioners to administer approximately \$1,450,000 in grant funds for the Douglas County COVID-19 Business Grant Program. The funds allocated to Douglas County are a part of the Federal CARES Act Funds that have now trickled down to our local area. These funds were allocated to counties to deploy in the form of grants to small businesses who have been financially impacted. CCD Business Development Corporation is a private nonprofit Oregon corporation which was formed in 1971. CCD enjoys a national reputation as one of the leading economic development organizations in the United States and is the federally recognized Economic Development District for Coos, Curry and Douglas counties.

NOTICE: SHORT TIMELINE TO APPLY!

To Apply: The application is available at www.ccdbusiness.org and applications will be accepted through 5:00 pm on Friday, December 11, 2020. You can also access the application on Douglas County Government’s website at www.co.douglas.or.us

“Please be aware that there is a very short window to apply for these funds, so we encourage everyone that has a business in Douglas County, that is eligible to apply, to get their application in as soon as they can! As we have mentioned before, we know that many of our local businesses have been tremendously impacted by COVID, and we are excited to finally see that they will be able to apply for some much-needed financial relief,” stated Commissioner Chris Boice.

The CCD press release provided the following information in order to apply for the grant. Eligible Grant Amounts will be from \$5,000 - \$75,000. It is intended that these funds are equally accessible to all businesses within the following categories:

- Hospitality within the service industry - (Hotels and Motels, Bed-and-Breakfast Inns, RV Parks, Recreational and Vacation Camps, Caterers, Wineries, Breweries, Event Planning, Travel Agencies, Tour Operators, Theme Parks, Bowling Alleys and Theaters)
- Restaurants that do not have a drive-up option.
- Gyms & Fitness Facilities

U.S. Department of Veterans Affairs
Veterans Health Administration
Rossburg VA Health Care System

- These federal funds are directed to affected businesses with 100 or fewer employees
- Eligible Applicants: Small business must be located in Douglas County.
- Businesses that meet the following eligibility requirements:
- The business is headquartered in Oregon and has its principal operations in Oregon.
- If required by Oregon law to be registered with the Oregon Secretary of State to do business in Oregon, the Business is so registered.
- The business was affected in either one of the following two ways:
 - For-profit and non-profit (limited to 501(c)(3) corporations) businesses that were prohibited from operations as directed by Executive Orders 20-12 or 20-65.
 - For-profit and non-profit (limited to 501(c)(3) corporations) businesses that can demonstrate a one-month decline in sales of 25% or more, incurred by the COVID-19 pandemic, between March 1, 2020 and November 30, 2020 as compared against the same period of time in 2019.

The following businesses are ineligible to apply for or receive funding:

- Passive real estate holding companies and entities holding passive investments.
- Non-profit entities that do not have federal 501(c)(3) status.
- Businesses that experience a decline in revenues for reasons other than those caused by the COVID-19 pandemic (e.g. seasonal or cyclical business cycles.)
- Businesses that are delinquent on federal, state or local taxes that were due on or before the date of application.
- Businesses that do not comply with all federal, state and local laws and regulations.
- Businesses that have closed and do not intend to reopen.

CCD Executive Director, Theresa Haga added, *“You may be wondering what’s the catch and how do I qualify? The catch is we need businesses to apply and act fast. There is a very short window of time to disburse a large amount of money. We have a small staff working hard to contact as many local businesses as possible, but we really need the community to step up and help us spread the word again. If you are hesitant to apply, don’t be. We are still facing an unknown future with winter ahead of us. We want to help as many of our local businesses as possible while the money is available.”*

If you have any questions, you can email CCD at info@ccdbusiness.org or call (541) 672-6728 or contact Douglas County Government at: dcinfo@co.douglas.or.us or call (541) 672-3311.

79th National Pearl Harbor Remembrance Day

On National Pearl Harbor Remembrance Day, we remember the 2,403 service members and civilians who perished during the attack on Pearl Harbor, Hawaii, on December 7, 1941. We also honor all the brave men and women who rushed to save countless more lives, and those who were wounded on that fateful day. The day marked a turn in the United States’ position regarding involvement in World War II. The attack on Pearl Harbor damaged several battleships, sinking both the USS Arizona and USS Oklahoma. Still others capsized, taking crew members with them. One noted ship was the USS Utah. Along with naval vessels, the attack destroyed aircraft, too. As a result, the attack forced the U.S. into a war that had been raging for two years. Organizations across the country honor the memory of Pearl Harbor with tributes; shared family survivor stories and memorials. Check out the 2020 [Pearl Harbor Virtual Memorial here](#). The Pearl Harbor National Memorial dedicates sites in memory of the crews lost on December 7th, 1941. For many crew members of the USS Utah, USS Arizona, and USS Oklahoma, Pearl Harbor is their final resting place. The memorials serve as a place of honor to those service members lost during the attack. On August 23, 1994, the United States Congress by Pub L 103-308, designated December 7th of each year as National Pearl Harbor Remembrance Day. Never forget.

Happy Planting Birthday to our Courthouse Elm Tree

Today we are celebrating our Courthouse Elm located on the front lawn of the Douglas County Courthouse. The 122-year-old elm tree was given to Douglas County by Binger Hermann, a United States Congressman, in the late 1800’s. The precise date for the tree donation is not known, but research suggests that it was planted near the turn of the century. It was possibly donated at a dedication ceremony for courthouse, which was rebuilt after a fire on December 7, 1898. The Courthouse Elm measures in at an impressive: 71’ tall; 13’4” in circumference and has an average crown spread of 103’. It was designated as an official Oregon Heritage Tree in April 1999. It was nominated by the Douglas County Master Gardeners Association with the Douglas County Board of Commissioners, and dedicated by the Heritage Tree Committee-Oregon Travel Information Council. The Heritage Tree Program is the first state-sponsored heritage tree program in the country. It was started 1995 by the Travel Information Council. The program was established to increase public awareness of the important contribution of trees in Oregon’s history and the significant role they play in the quality of our daily life. In addition to its heritage, our Courthouse Elm has given much pleasure to local residents with its great spreading crown, huge supporting limb structure and as a glorious backdrop for numerous wedding photos.

Douglas County, OR - COVID-19 - Case Update

Date	Thursday, December 3, 2020	Friday, December 4, 2020	Saturday, December 5, 2020	Sunday, December 6, 2020	Today, Monday, December 7, 2020
Total COVID-19 Cases	1,010	1,036	1,053	1,074	1,090
People with Positive PCR or Antigen Test Results	940	965	982	1,003	1,018
Presumptive	70	71	71	71	72

Total Currently Hospitalized	15	15	18	21	20
Total Currently in Isolation	174	187	198	213	182
Total COVID-19 Related Deaths	19	22	24	24	25
Total Negative Test Results	----**	----**	----**	----**	----**

**Our daily update includes the total number of cases in Douglas County, which combines people with positive test results and presumptives. We provide a breakout of the people with positive test results and presumptives in the chart above. Please note there will be times when a presumptive will move to a positive test result, and our total case number will not change because the case has already been counted, instead you will see an adjustment to our breakout numbers for positive test results and presumptives. **Please note: OHA has chosen to no longer provide or report negative test results, so we will no longer be reporting this data in our daily update starting Thursday, December 3, 2020. In the meantime, you can log onto OHA's website for more information.*

Especially During the Holiday Season - You Are the Key to Controlling the Spread of COVID!

It is no secret that the key to stopping the continued spread of the coronavirus is, **YOU**, our residents, our families, our communities and our businesses. Please celebrate safely this holiday season. Prevention is the best medicine, and not just to help stop the spread of COVID, but for your overall health and wellbeing as well. If each and every individual in our county would make a real concerted effort to implement prevention measures into their daily routine, we could see a huge decrease in our COVID case numbers. We need each and everyone one of our residents to take the necessary steps to minimize the spread of germs and contagions. You can help by staying home this holiday season, keeping gatherings to just your household, maintaining healthier eating habits; incorporate exercise and cleaning routines; being cautious and keeping distance from others; making modifications to how you socialize with others; choosing no contact deliveries and services; and staying home if you are sick. The suggestions we make and the guidelines presented by public health are not just for your health and safety, but for the health and safety of everyone, including our kids, our grandparents, our coworkers, our first responders, our teachers and our businesses. We know we sound like a broken record, but our primary focus is to do everything we can to protect the health, safety and wellbeing of our residents. Dr. Bob Dannenhoffer, Douglas County Public Health Official, urges residents to stay home when they are sick to help protect others from getting sick and spreading disease. This means not only staying home from work and school, but also staying home from all other activities and social events. Please, if you are sick, even if you just have a runny nose or stuffy head, do not go to work or attend gatherings, church, parties, events, weddings, game nights, prayer groups, or go work out at the gym and expose others to your illness.

Tips to Help Stop the Spread of COVID

- *Make a habit of washing and sanitizing your hands, regularly. That means washing after you eat, if you touch new surfaces, go to the bathroom, open a door, go to the store, go to the post office or after a meeting. Also try and avoid touching your face as much as possible.*
- *Please wear a mask when you are around others not from your household. Not just for your protection, but for the protection of others.*
- *Stay at least six feet apart from anyone that is not from your immediate household. This means paying attention to the distance stickers at the store, the bank, at restaurants and at businesses. Please be respectful, kind and polite, by giving people ample space.*
- *Stay home from work, school and play if you are sick. This includes not running errands or going shopping or inviting visitors to your home. If you need help, reach out to friends, family or utilize an app or businesses that offer no contact deliveries or services.*
- *Minimize travel, especially out of the state and limit visitors to your home.*
- *Minimize attending social gatherings or going places where there are large groups of people.*

The DCCRT team, under the direction of the Douglas County Board of Commissioners, along with Dr. Dannenhoffer and Douglas Public Health Network encourage residents to make prevention measures a part of their everyday routines.

Local Cases Being Supported in Isolation and Quarantine

Currently, DPHN is supporting **182 cases** in isolation, as well as another **327 contacts** in quarantine in Douglas County. Isolation is recommended for confirmed and presumptive cases, quarantine is recommended for contacts of confirmed or presumptive cases. Currently, staff is supporting an astounding **509 total contacts** in isolation or quarantine. This number represents a snapshot of the significant amount of work being done by our county and Douglas Public Health Network to help control the spread of COVID-19.

Getting Tested & Testing Clinics

The next drive-through testing clinic is on Tuesday, December 8, 2020, in Roseburg. As a reminder, if you are having symptoms of COVID-19 including cough, fever, shortness of breath, muscle aches and pains, diarrhea, sore throat or decreased sense of smell and taste, talk to your health care provider about being tested for COVID-19. Patients without a Primary Care Provider that are looking for a COVID-19 test should contact the Sutherlin Aviva Health Clinic at (541) 459-3788. The first drive-through testing site was piloted in the county on March 17, 2020. The drive-through clinics are led by DPHN, in conjunction with partner agencies including; Douglas County COVID-19 Response Team, Douglas County Board of Commissioners, Douglas County Sheriff's Office, Douglas County Public Works, local volunteers and local health professionals.

Oregon COVID-19 Case Update

Oregon Health Authority (OHA) reports new cases once a day on their website at www.healthoregon.org/coronavirus. OHA also releases a daily situation status report and a weekly report that details the overall picture of the COVID-19 outbreak within our state. The daily report details positive and presumptive cases, as well as deaths by county and statewide, while the weekly report is more in depth and includes statistical data related the severity of cases by age, gender, zip codes, ethnicity, as well as information on workplace and senior care facility outbreaks in Oregon. Find additional information on the state or Federal COVID-19 response go to [Oregon Health Authority](#), [Centers for Disease Control](#), and [211Info](#).

Oregon COVID-19 Presumptive

OHA expanded their reporting for COVID-19 case management to now include presumptive COVID-19 cases in their total case number. DPHN is reporting the number of people with new positive test results and any new presumptives and uses the OHA's definition of presumptive as having had close contact with a known, confirmed COVID-19 case, showing symptoms and not yet having a positive nasal swab/PCR or antigen test for COVID-19. Testing continues, as DPHN has been holding 2-3 clinics a week and hospitals, urgent cares and clinics continue to test. DPHN continues their epidemiologic investigations, identifying individuals who may have had close contact with individuals that have tested positive for COVID-19, advising and supporting quarantine and isolation.

OHA Reporting and Definition for Recovered

As per the [Oregon Health Authority COVID-19 Investigative Guidelines](#), the number of recovered cases is no longer being assessed or reported by OHA. Up until May 1st, 2020 recovery from COVID-19 was defined as being afebrile (not feverish), without the use of antipyretics (medicine to reduce a fever), and having resolution of cough, shortness of breath and diarrhea for at least 72 hours. As more was learned about symptoms, recovery and contagious period, the definition of recovered changed. Beginning May 1st, OHA stopped reporting recovered cases while also separating recovery from contagious or isolation period. Many cases were no longer contagious, as they were outside of the contagious period, but still having lingering symptoms. To be consistent with OHA and to adapt as we learn more about this new virus, we removed the column in our chart listing recovered cases. At that point, we added the number of those in isolation, roughly indicating active or infectious cases of COVID-19 in Douglas County.

Facebook Live with Dr. Bob

Please join us **on Tuesday, December 8, 2020 at 6:00 pm** for the next Facebook Live event with Dr. Bob. hosted by DPHN on the [DPHN Facebook page](#). Dr. Bob Dannenhoffer, our Douglas County Public Health Officer will continue their normal schedule of Facebook "Live Q&A Updates" next week with both his Tuesday night at 6:00 pm and Friday night at 4:00 pm on the DPHN Facebook page. Residents are still able to submit their COVID-19 questions to Dr. Bob during the live shows, but you can also email your questions to: Facebookquestions@douglaspublichealthnetwork.org. Dr. Bob and the DPHN team will do their best to respond to as many questions as they can during their weekly updates.

LOCAL COVID-19 INFORMATION

Stay Informed with Accurate Local Information

Stay up to date on COVID-19 in Douglas County on the [Douglas County Government website](#) or the [DPHN website](#). Your Douglas County Board of Commissioners, Douglas County Public Health Officer, Dr. Robert Dannenhoffer, DPHN and the Douglas County COVID-19 Response Team (DCCRT) have been working hard to cooperatively provide accurate and timely information to Douglas County residents since March 8, 2020. Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT.

Douglas County Resource/COVID-19 Hotline: (541) 464-6550

Douglas County Commissioners and Douglas Public Health Network have added a resource and referral service to the current COVID-19 hotline for Douglas County residents. The added service will help residents get connected to resources and services due to the local wildfires. Referral and resource information will be available about local emergency shelters, livestock and animal boarding options, donation locations, volunteer opportunities, welfare check referrals, food and water resources and help with health and wellness questions. This is **NOT** the hotline for Fire Updates or Evacuation information. Please contact or follow DFPA and DCSO for the most up-to-date wildfire information. **The Resource/COVID-19 Hotline is (541) 464-6550. It is staffed from 8:00 am to 5:00 pm, 7 days a week until further notice.**

Questions about Governor's New Statewide Metrics and Rules? If you have questions or need more information on statewide mandates, guidelines or rules, go to the Governor's COVID-19 website at <https://govstatus.egov.com/or-covid-19/> or call the Business Oregon's Navigator Hotline at **(833) 604-0880**. **For information on COVID-19 in other counties and around Oregon, call 211 or visit [211info](#).**

Who Do You Contact to Report Compliance Issues with the Governor's Statewide Rules? Please do not call 911, Douglas County Sheriff's Office or Douglas County Offices to report compliance issues with the Governor's orders. The Governor has directed the State offices for **Oregon Occupational Safety and Health (OSHA)** and the **Oregon Liquor Control Commission (OLCC)** to be the enforcement agencies responsible for ensuring restaurants, bars, and other businesses comply with COVID-related rules. **For more information or to report compliance issues contact: OSHA: (800) 922-2689 or [OSHA website](#) or OLCC (503) 872-5000 or [OLCC website](#)**
