AGENDA

South West Regional Health Collaborative Advisory Board

11/30/2018 12:00 PM to 2:00 PM

Time	Item	Desired Outcomes	Presenter
12:00	Welcome and Introductions; Lunch; Agenda, Minutes	Welcome members. Working lunch. Confirm the topics of today; review the work at the last meeting; approval of last meeting minutes. <hr/>	Brian Mahoney
12:10	Activity 3.1, BARHII Surveys	Present the preliminary results of the two health equity surveys: staff survey and community partner survey. Advisory Group will gain an understanding of the data; administrators will direct staff's approach to a final report to the state that is due on December 31, 2018 <hr/>	Bailey Burkhalter
1:00	Activity 2.1 Newsletter with CD feedback to providers	Present a mock-up of newsletter intended to give CD and other health data to providers in the region. Advisory Group will provide feedback as to the intended purpose, audience, content, and distribution methods that would have the greatest positive effect.	Dr. Bob
1:10	Activity 4.2.2: Sharing of immunization data	Provide and discuss the preliminary results of the immunization epi study. Advisory Group will gain an understanding of various relationships among immunizations rates, proximity to clinics and zip codes. <hr/>	Dr. Bob
1:20	Activity 2.1, the CD Regional training plan	Update on the training around CD reporting. Includes CME/CEU through Bay Area Hospital. Members to give guidance on best methods to offer and provide training with disease reporting colleagues, CCOs and tribal providers. <hr/>	Dr. Bob

1:35	Activity 4.3: Improve 2-year-old immunization rates	Provide data on AFIX participation in region, timeline, and results of outreach. Identify venues for workshops and ask about the best ways to advertise the workshop—to get the word out. <hr/>	Brian Mahoney
1:45	Activity 6.3: Cross-jurisdictional collaboration	Provide information on potential of creating, or joining, a regional health equity collaborative. Potentials include joining Southern Oregon Health Collaborative or creating a separate group composed of multi-sectorial agencies in the three-county region. Gain feedback from the group. <hr/>	Brian Mahoney
1:55	Set Next Meeting	Date and times for quarterly meetings for 2019 Determine appropriate dates Advisory Group to meet. The next dates are January 25 and April 26. The venue is the same (Bandon Community Health Center), and the times will be from 12 noon to 2 p.m. <hr/>	Brian Mahoney
